Your Important Numbers:

**NOW MORE THAN EVER:
BUY LOCAL**

1. **Significantly More Money Re-circulates In Western Massachusetts.** When you purchase at locally owned businesses rather than nationally owned, more money is kept in the community because locally-owned businesses often purchase from other local businesses, service providers and farms. Purchasing local helps grow other businesses as well as our regions tax base.
2. **Non Profits Receive Greater Support.** Non Profits often receive greater support from local business owners, sometimes as much as 350% more money, than they do from non-locally owned businesses.
3. **Unique Businesses Are An Integral Part Of Our Distinctive Character.** The unique character of Greenfield is what brought us here and will keep us here. Our tourism businesses also benefit, because our place doesn't look like every-place. People who visit here regularly compliment our fair city.
4. **Most New Jobs Are Provided By Local Businesses.** Small local businesses are the largest employers nationally.
5. **Local Business Owners Invest In Community.** Local businesses are owned by people who: Live in this community; are less likely to leave; and are more invested in the community's future.

Buy and Spend Greenfield Dollars

The Greenfield Dollars program supports the local economy by keeping dollars circulating in the community. The Greenfield Business Association creates the certificates which are offered in \$10 and \$25 increments. These certificates are purchased by the customer and given out as gifts to staff, friends, family or used by the buyer. The list of places where they can be used is extensive and growing. We want Greenfield to continue to strive towards its unique, wonderful self; *so that our place, doesn't look like every place.*

All of the GBA members listed in bold font accept Greenfield Dollars.
