Good news for Main Street

Beginning Monday, September 22 The GBA has arranged for a crew of five men

from the Franklin County Sheriff's "inside guys" team to work on the trash and clean up needs of the general area of downtown two days a week for two hours in the morning. They will have tools for sweeping, raking and trash pick up on sidewalks and curb areas. When winter comes they will shovel and keep a path clear on the sidewalks. We will be working with them to discern the areas that need the greatest attention.
